Wonderful. I love backstage. In my youth I did a few calatwk shows in Sweden and in London, and later in life (before I re-saddled) I worked with both Graduate- and London Fashion Week. Incidentally the former was amongst the scouts for dear Stella. The backstage environment is both exciting and catty. So many egos to take into account.. :)x Charlotta

Mia, they are all great and all have that certain lofty fenlieg. The floors in all of them are amazing - the width of the ones in the last two makes all the difference. One day I shall tread on floors like these..!! :)Thanks for the link to Per's. Will check out after this wonderful teaser.xx Charlotta
